Phenix City Elementary School is located in the heart of the city at 2307 South Railroad Street in Phenix City, Alabama. It is one of the largest elementary schools in the district. In the last 10 years, the school has doubled in size, both in number of students and number of classrooms. When the school first opened in 2002, it contained 19 classrooms. After the second addition to the building in 2011, it now has 36 classrooms. Although there are over 700 students, it is certainly a neighborhood school where parents, teachers, and students are committed to soaring beyond expectations.

To register a new student, please visit www.pcboe.net, then bring the following to the school:

- 1) A certified copy of the child's birth certificate
- 2) A copy of the child's social security card
- 3) An Alabama Certificate of Immunization (IMM-50)
- 4) A current proof of residency

From the Principal

It is with great excitement that I am continuing my journey into a second year as the Principal of Phenix City Elementary School. We have a school year planned that will provide our students with academic rigor, but one that will also be fun and engaging. We have spent the summer planning and working to create an atmosphere that our students, teachers, and community will feel welcome walking into and one that will promote and sustain student achievement.

We welcome your voice, your energy, and your enthusiasm for our school! If there are any opportunities or ideas that you have, please share them with us. On behalf of the faculty and staff, I welcome

- A - **A**lways being honest
- W - **W**orking hard all day, every day
- K - **K**eeping success the focus

We would love to have you join our family and be a part of what is happening at Phenix City Elementary School!

PCES Supports Student Success

At Phenix City Elementary School, we believe that excellence is obtainable for all students and staff and that nurturing, inviting, and stimulating environments are conditions where students thrive emotionally, socially, and academically. To create this type of environment PCES has implemented the following programs:

- Safety Hawks
- IMPACT
- Math Team
- PBIS
- Award Ceremonies
- Chromebooks
- iPads
- Laptops
- Friday Celebrations
- Traning for Parents (Empower Hour)
- Foster Grandparents
- Opportunities for Families to be Involved

We hope to see you soon!
