CERT Testing

**CERT testing is used as a pre-
-ACT measure of proficiency
and to prepare students for
CERT and ACT test question
and answer set possibilities/
strategies.**

**To prepare our students, we
will utilize:**

- **Kaplan test taking skills/
test prep activities**

CERT GOALS

(Reading)

- * Every student improves by two points in Reading section of CERT test.
- * Each class showing improvement in class average score receives a reward from the teacher.
- * Class with the overall greatest improvement will be awarded a party.

Incentives & Rewards

Learning Earning Rewards: Students earn LE reward credits to redeem for privileges and prizes.

- * Students improving their personal score in CERT scores will be rewarded LE credits by the teacher.
- * Classes with highest assignment averages may receive LE credits.
- * Students exhibiting excellent work ethic or generosity of spirit may receive LE credits.
