

## **CERT Testing**

CERT Testing is used as a pre-ACT measure of proficiency and to prepare students for ACT questions and strategies

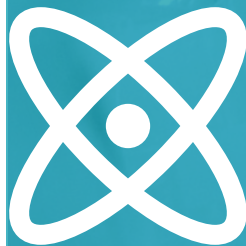

## **CERT Goals**

- Every student improves by two points in the science section
- Each class showing improvement in class average receives a teacher reward
- Class with the overall greatest improvement will be awarded a party

## **Incentives and Rewards**

Learning Earning Rewards: Students earn LE reward credits to redeem for privileges and points

- Students improving their personal CERT score will be awarded LE credits by the teacher
- Classes with highest assignment averages may receive LE credits
- Students exhibiting excellent work ethic or generosity of spirit may receive LE credits

# **SCIENCE DEPARTMENT**

CENTRAL FRESHMAN ACADEMY

**A hands-on  
experience in the  
field of science**

## **INSTRUCTORS**
